

The logo is contained within a dark grey rounded square border. It features three horizontal orange bars: one at the top, one below the main text, and one at the bottom. The main text is arranged in two rows. The top row contains the letters 'GZGC' and the bottom row contains '2021', both in a bold, black, stylized font. The 'G' and 'C' characters have a unique, blocky design with rounded corners. The '2021' characters are also bold and stylized, with the '0' having a diagonal slash.

GZGC
